

Orthopaedic **injury?**

If you have suffered a recent orthopaedic or sports medicine injury, MedStar Health is here for you. In response to COVID-19, we are pleased to temporarily offer safe, fast-track services for orthopaedic injuries at our Timonium location. If you suspect a fracture, tendon tear, or another painful new injury, and have no symptoms of illness, we encourage you to schedule an appointment with a specialist at our Timonium location.

**Same- or next-day appointments available.
Please call 877-346-7846 to schedule.**

**2118 Greenspring Dr.
Timonium, MD 21093**

If you have a more traumatic injury or dislocation, please seek care at your nearest emergency department.
